Meetings & Incentive

GELATO
MUSEUM
CARPIGIANI

Carpigiani Gelato Museum
hosts **private events,**
conferences, gala dinners,
and photo shoots.

Looking for a location where you can create an exclusive event that combines the creativity of gelato with your company philosophy or a special project?

Gelato Museum organizes team building, flavor labs, tasting events, and personalized gelato cocktails. The museum is located at the headquarters of Carpigiani, the company that since 1946 has been manufacturing artisanal gelato machines, occupying industrial space transformed into a center for the study of gelato history, culture, and technology.
